

CANBERRA ALPINE CLUB INC

ANNUAL REPORT FOR 2017

**TO BE READ IN CONJUNCTION WITH THE
AUDITED ACCOUNTS SUPPLEMENT**

Canberra Alpine Club

The Club was formed on 31 July 1934 at the Alpine Hotel, Kiandra and was incorporated on 29 June 1955 (registration number A.19).

The motion to form the Club was put by Tim Ingram and Tom Campbell at a meeting chaired by H.J. Lamble, then Director of the NSW Government Tourist Bureau. The inaugural general meeting was held at the Hotel Canberra on 11 October 1934 to elect office bearers and a committee and to ratify the provisional operating arrangements.

The Club is governed by a written Constitution, By-laws and the *Associations Incorporation Act 1991*. The present Constitution, which has been subject to minor amendments, was adopted in 1996 and the By-laws are revised annually and circulated each June.

The objects of the Club include promoting snowsports and bushwalking, fostering the conservation of the alpine environment and the interest of members in matters of historical or heritage significance to skiing or bushwalking including the preservation of buildings, sites and objects.

The Club is a corporate member of Snowsports ACT. The Club is also a member of SLOPES (Ski Lodges of Perisher, Guthega and Smiggins Inc) and of the Kosciuszko Huts Association.

The Mount Franklin Chalet was constructed for the Club in 1938 with bunk accommodation for 32 on leased land. The Chalet reverted to the Government when Namadgi National Park was created in 1984 and was destroyed by bushfires in January 2003, with a new shelter being erected by the ACT Government in 2007. The Mount Franklin precinct is the subject of memoranda of understanding made in 1989 and 1998 between the Club and the ACT Parks and Conservation Service.

The A-frame Perisher lodge was constructed by Club labour in 1961 on land leased from the State of New South Wales. A new lease executed late in 2008 runs until 31 December 2028 – with three 10 year options exercisable after that. This lodge is licensed to accommodate 46 persons and was extended and substantially upgraded in 1983. The bedroom wing was added in 1999, together with wheelchair accessible facilities.

The original Jindabyne lodge was constructed in 1968 on leased land in Banjo Paterson Crescent, adjacent to Lake Jindabyne. Freehold title was acquired in 1992. The original lodge was demolished in late 2013 and a new lodge built, opening in 2014.

Introduction

This report covers the 2017 calendar year, which coincides with the financial year of the Club. It should be read together with the audited financial statements for the Club's financial year ending 31 December 2017 which have been published as a supplement.

While the report formally covers the calendar year, some information is also provided regarding events between the beginning of 2018 and preparation of this report.

PART 1 – PRESIDENT’S REPORT

It gives me great pleasure to report on the operations of the Canberra Alpine Club during the year ending 31st December 2017.

I would like to congratulate our Club Olympian Laura Peel for her fifth place in the 2018 Olympics Women’s Aerial Final in PyeongChang. It was an exciting and heart stopping event where Laura made the final medal round of six competitors and the pressure showed on all the finalists with many falls on their landings. We are very proud of her in reaching the pinnacle of her sport, particularly such a technical and dangerous sport. A number of CAC members, including a nervous Mum (Teresa Harrington), made the trip to watch the event.

As a winter sports club one of our main aims is to assist in developing our members’ skiing and snowboarding abilities to their maximum with an aim that they may reach international level. We have had a number of members reach the National teams in various skiing disciplines and compete overseas at World Cup, World Championship and Olympic level. We have had Olympians at the last 3 Olympics (Ben Sim (2010), Katie Calder (2010 and would have been 2006 except for injury) and Laura Peel (2014 and 2018).

I am pleased to report that the Club is in a strong financial position. After a good, long snow season the annual result for 2017 was a surplus of \$97,806. We have made strong inroads into reducing our Jindabyne Lodge debt down to \$658,000 from \$1M in three years. Full details of our financial position are contained in the Treasurer’s report and audited accounts.

Membership at the end of 2017 was 537 of the maximum of 600 allowed by constitution, with a waiting list of 45. There has been a steady and healthy movement to and from the Club as personal circumstances and priorities change. The Club is keen to continue attracting new members, and we welcome their active participation in work parties and enthusiastic involvement in social and sporting events.

Lodge bookings remained steady during the year with excellent winter occupancy at both lodges which were close to capacity throughout the peak season. Refer to Appendix 2 for historical records.

The first year of the on-line booking system has been successful with positive feedback from many members. Members have indicated that they found the system easy to use and provided the services we hope it would offer. Ongoing minor tweaks

will progressively occur as adjustments are made to accommodate the Club's booking rules and continuing to streamline the process itself.

A number of social events were held during the year in Canberra and at the lodges. These included the Pre-Season Cocktail Party held at the Airport Vibe in May, the Brumby Cup Dinner held on 22 July. The Annual Dinner and Trophy Presentation was held at The Duxton in O'Connor in November and was a very successful night.

The Club sporting calendar was full again with our Juniors' and Youth weeks, and the Perisher race carnival competitions. Congratulations to the competitors who participated in the Club Championship on 13 August, those individuals who competed in the KAC Cross-Country Championships, and the teams who competed with distinction in the Balmain Cup. Disappointingly we did not have a team in the Perisher Cup for a second year in a row. A number of Club junior members also performed well at the NSW Interschools, ACT Schools Cup and Australian Interschools Snowsports Championships.

Work parties were conducted during the year to continue our important maintenance programs at Jindabyne, Perisher, Mt Franklin and O'Keefes Hut.

The 2017 AGM endorsed the expenditure of \$55K to complete all the outstanding work at the Perisher Lodge required to comply with the 2007 Fire Order plus install a second set of stairs from the Manager's flat down to the second level. A design and fire report were completed, a builder appointed however we misunderstood the NSW Department of Planning process and after commencing work we were ordered to cease work. While this is very frustrating we are now working through the issues with the NSW Department of Planning and are still planning to complete all works before the 2018 winter.

I wish to thank Club Captain Teresa Harrington, Perisher Joint Coordinators Peter Richards and Judy Leijins, Jindabyne Coordinator Rhonda Cunningham, Franklin Coordinator Ian McLeod and O'Keefe's Hut co-ordinator Paul Obohov for their energy and hard work during the year plus the volunteers who attended work parties. I would like to thank those members who have volunteered as social and sporting event organisers and lodge leaders.

I would like to acknowledge and thank Sarah Forsdyke who completed her first year as our Administrative Officer after the retirement of Stella. Sarah has eased into the job very successfully and her knowledge of the on-line booking system was invaluable. I would also like to thank Judy Leijins as Editor of Frozen Acres and Jill

and Ken French's contribution to the management of Perisher Lodge.

I would like to thank the Committee for their support over the past twelve months which has worked very well together and our discussions have remained positive, cohesive and communicative in our desire to seek improvements in the Club.

I am stepping down as President after two years and have immensely enjoyed my time. It is a position that has brought great satisfaction in my interactions with the Members and contributing to this great club.

Peter Cunningham

President

PART 2 - OPERATIONS

The Club's operations are directed generally by the Committee, assisted by sub-committees and working groups convened by Committee members or interested members.

FINANCES

(Treasurer: Mark King)

2017 Result

Not surprisingly, the good snowfall of the 2017 season lead to a good financial result for the year.

Cost Centre net results, after allowing for depreciation and amortisation expenses of \$74,378 and matching income and expenditure to the applicable year, were:

Administration	\$4,416
Perisher	\$15,739
Jindabyne	(\$18,710)
Social	(\$1,030)
Capital Fund	\$97,391
Net Profit	\$97,806

(The Club recorded a Net Profit of \$35,453 for the 2016 year.)

Capital Contributions and Entrance Fees

The contribution to the net result from Capital Contributions and Entrance Fees continues to remain critical to the Club's financial performance and its ability to pay down the Jindabyne Redevelopment Loan. For 2017 these totalled \$97,391.

Trading

Total income attributable to the Administration cost centre was \$54,300 comprising subscriptions of \$51,281, interest income of \$114, cancellation fees and sundry other income of \$2,905.

The administrative expenses of the Club for the year were \$49,883 with major items of expenditure being the Club's Administration Officer wages of \$11,664, Frozen Acres production and distribution costs of \$6,013, audit and bank fees of \$8,019,

Booking System running costs of \$4,680 and insurance of \$5,205. The Club contributed \$5,820 to ski development and training programs for its members throughout the year.

Perisher total receipts were \$210,539 and for this year, covered the running costs of this lodge.

Jindabyne accommodation receipts contributed income of \$92,662. Expenses were \$111,372 inclusive of Loan Interest of \$30,592, the Loan Line Fee of \$9,940 and Building Depreciation of \$42,581.

The Club's social functions produced a small net loss of \$1,030.

Balance Sheet

There was a net increase in cash held for the year of \$11,632. Cash held at 31 December 2017 was \$156,031.

Property values are included in the Balance Sheet at cost less accumulated depreciation. At last independent market valuation (24 September 2007) the Perisher property was valued at \$1,920,000. The Jindabyne Lodge is in the accounts at \$1,434,133 less Accumulated Depreciation of \$89,475.

Jindabyne Redevelopment Loan

The details of the Jindabyne redevelopment loan with Westpac bank are (at time of writing this report):

Type	Bank Bill Business Rate, variable rate, 90 day reset
Limit	\$909,000
Base Rate	1.84%
Margin rate	1.54%
Resultant rate	3.38%
Facility Fee	1.05%

Inclusive of the 1.05% Facility Fee, the total cost of this finance is 4.43%.

We are required to reduce the principle on this loan by \$91,000 per annum. At 31 December 2017 the Club had paid the initial drawdown of \$1m down to \$658,000.

Auditor

Mr Patrick Salter, Chartered Accountant, has provided an unqualified audit opinion on the Club's 2017 financial report.

Insurance Cover

The principal policies provide the following cover at each of the lodges:

	Perisher	Jindabyne
Building	\$2,794,000	\$1,400,000
Contents	\$127,339	\$39,000
Public Liability	\$20,000,000	\$20,000,000

The policy excess amounts are (generally) \$1,000. The policies provide cover to specific sub-limits for accidental damage, burglary, theft, and a range of other risks.

The Club maintains a group accident policy providing limited cover for members and persons attending organised Club work parties and other functions.

Persons representing the Club at sanctioned snow sports events or participating in Club events are generally covered under a policy maintained by Ski and Snowboard Australia. This policy also provides Public Liability cover of \$20,000,000, Professional Indemnity cover of \$2,000,000 and Management Liability cover of \$1,000,000.

The Club maintains a Voluntary Workers insurance policy which, in broad terms, covers members on and travelling to working bees.

Workers Compensation insurance policies were maintained for ACT and NSW during the year to cover contractors and employees of the Club. The ACT Workers Compensation policy has been cancelled as the Club currently has neither employees nor contractors in the ACT.

Committee Changes

Chris McLennan and Kathleen Waddell retired at the 2017 AGM.

At the close of the 2017 AGM one ordinary Committee position remained unfilled. On 14 August Will Comensoli was elected by the Committee to the position.

On 4 December John Stephens resigned from the Committee. His ordinary Committee position remained unfilled for the remainder of 2017.

LODGES

(Convenor: Peter Cunningham)

Perisher (Lodge Coordinators: Peter Richards/Judy Lejins)

There was a good roll-up of willing hands at each of the four work parties held during 2017 (20/21 February, 19/20 March, 16/17 April and 15/16 November), these included members, waiters, friends and children who undertook the various tasks at hand.

Work carried out during the year included general maintenance, painting, general cleaning, checking bedding, replacing pillows, bed lamps and globes as needed, removing exotic plants from our lease and the purchase of new items. No major projects were completed during the year except the preparation for the Fire Order work in early 2018.

The Committee is still seriously considering the use of a professional maintenance service to handle Perisher lodge and maybe also Jindabyne as a means of reducing our reliance on volunteer labour for the larger projects. It may be a more expensive option but possibly necessary to ensure continuation of our maintenance and capital works program.

The 2017 AGM endorsed the expenditure of \$55K to complete all the outstanding work required to comply with the 2007 Fire Order plus install a second set of stairs from the Manager's flat down to the second level. A design and fire report were completed, a builder appointed however we misunderstood the NSW Department of Planning process and after commencing work we were ordered to cease work. While this is very frustrating we are now working through the issues with the NSW Department of Planning and are still planning to complete all works before the 2018 winter.

The extension of the dining room has been deferred until the completion of the Fire Order work. A proposed capital works program was tendered at the 2017 AGM and will progress when finances allow and after consultation with Members as to their priorities.

Jindabyne (Lodge Coordinator: Peter Cunningham)

Three working bees were conducted during 2017 on 1/2 April, 6/7 May and Nov 25/26. All were very successful and mainly well attended.

Besides the normal maintenance activities and lodge upkeep the major projects completed were:

- Concreting the basement floor to create a more usable storage area and equipping as a ski waxing room.
- The establishment of an extra carpark by expanding the end of the carpark.
- Continuation of the landscaping and building surrounds.
- The installation of extra blinds in the upstairs lounge room.

Investigation of a replacement for the decking awning is still occurring with a permanent eave being the preferred option, we will obtain quotes and hope to have it installed in 2018.

Mount Franklin (Coordinator: Ian McLeod)

Two work parties were held during the year, on 29 April before the Heritage Festival open day, and on 28-29 October. The main activity was again vegetation control, particularly on the Wood Run and Wombat Walk. A rack for all the historic ski poles stored in the shelter was installed during the April work party. As usual, convivial evenings were spent around the fire in the shelter. The work party scheduled for 2-3 December was cancelled because of the forecast (correct) of severe weather.

Fine weather and good publicity resulted in more than 20 visitors for the open day on 30 April, part of the ACT and Region Heritage Festival. Several club old-timers also came up for the day to share their stories with the visitors.

A group making a documentary film on Namadgi National Park has contacted several Mount Franklin veterans, with plans to film their stories during 2018; it filmed some footage at the shelter during the October work-party.

O'Keefe's Hut (Coordinator: Paul Oboohov)

On the Canberra Day long weekend in March 2017 the O'Keefe's Hut workparty covered the previously wallpapered (with 1930's newspapers) upper half of the walls in the main room with perspex plastic sheeting and screwed it to the walls, stocked the hut with cut and chopped wood, and taped up a crack in one of the glass panes of the northern window of the main room. The mostly peeled paint of the rear wooden door, and condensation or water leak marks in the rear small room were noted. On the Sunday morning people walked the Grey Mare Trail along the western base of Mt Jagungal and returned to the hut.

BOOKINGS

(Convenor: Jon Wilson)

Lodge Usage

As can be seen from the figures reported in Appendix 2, 2017 was an outstanding year for the club in terms of bookings. Total bookings exceeded 6,000 bed / nights across both lodges, setting a new record for the club. While the club often has full lodges for the long weekend in June, last year we also had a full lodge at Perisher for the long weekend in October. Jill remarked that this is the first time that she can remember that happening in her history with the club. Our thanks to all the members and guests who have shared their season with the club, and we look forward to more good snow, and record levels of bookings again in 2018.

While the club had extremely strong Winter bookings, our off-peak usage dipped slightly last year. While we obviously all love the snow, we should not forget that both Jindabyne and Perisher are amazing destinations all year round. Increasing usage during the off-peak period continues to be a key objective of the committee, and the club offers members very attractive off-peak rates for both Group and Block bookings, as well as for Associated Organisations. The Bookings sub-committee will again be looking at how to encourage growth in off-peak bookings in 2018.

Please remember that attendance at work parties does allow for early confirmation of additional Saturday nights, and members are encouraged to take advantage of this to secure their bookings. Please also note that if you (or your child) are participating in an organised snowsports development program, you can also apply for early confirmation of additional Saturday nights.

For a comprehensive summary of bookings information for this year, and comparison with previous years, please refer to Appendix 2 of the report.

Online System

Since its launch in July 2016, the club has now completed its first full year of operation with the CBDWeb as its centralised membership and booking system. The online system allows management of membership data, subscriptions, bookings and payments to all be carried out online. The feedback on the system remains very positive, however we continue to welcome any constructive feedback (please communicate this to the Admin Officer), as we are always looking to make improvements.

The Bookings sub-committee will be carrying out a review of the online system in 2018, and looking at recommendations on how to improve its use. If you would like to support this review, please consider joining the sub-committee (note that you don't need to be a full committee member).

While members are encouraged to use the online system for all their booking requests, this is not mandatory, and members can also contact the Admin Officer by phone or email.

Booking Privileges

A number of members and guests were granted booking privileges (complimentary accommodation and early confirmation of Saturday nights) which are approved by the committee. A list of these is included in Appendix 3.

These privileges are extended to the coordinators of lodge events (such as Family and Youth Weeks, and the Brumby and Championship Dinners) as well as members representing the club during races (e.g. Balmain Cup) and participating in Snowsports development programs. The club highly values all of these contributions, and these privileges represent a small "Thank You" from the club for the contribution that these members and guest have made.

Members of the subcommittee in 2017 were: Jonathan Wilson, Jenny McLeod and Sarah Forsdyke.

SNOWSPORTS

(Convener: Phil Bell, Club Captain: Teresa Harrington)

Laura Peel's magnificent result at the PyeongChang Winter Olympics must be the opening statement of this report! Her recovery from injury and the wonderful results in the Europa Cup and World Cup events building towards the Olympics underscores her tenacity and ability. Laura is a wonderful role model for our junior members to chase their dreams. Congratulations to Laura and Teresa, and thank you for providing insight and updates on social media for us to follow.

At the international level, Valentino Guseli achieved excellent results in the US season. Val was Overall Age Champion at the USASA Snowboard Nationals and second in the Burton USOpen Junior Jam (under 15). Val dominates the domestic Interschools and Junior Series competitions and Club members marvel at his abilities in the Perisher parks. His trademark "double wildcat" and many other tricks are amazing.

SnowSports ACT

Several Club members were recognised by SnowSports ACT in 2017. Laura Peel was awarded Athlete of the Year and she was also nominated for other awards. Valentino Guseli was awarded Junior Snowboarder of the Year – Male, Lara Agnew joint Junior Alpine Skier of the Year, and Phil Bell joint Volunteer of the Year. Other Club members were the backbone of the School of the Year award and Alec Bell was awarded a 2018 Perisher – ACT Interschools Scholarship. Our close working relationship with Snowsports ACT continued in 2017 and this relationship is led by Peter Cunningham and Teresa Harrington serving on the Board of Directors for Snowsports ACT.

An important change in the governance model for Snowsports ACT has occurred during 2017. Motions were carried at a Special General Meeting of SnowSports ACT for the merger with Ski and Snowboard Australia (SSA) under the "sports management under a unitary governance" model. Peter and Teresa will be involved with the implementation of the new model during 2018. The CAC Committee supported the changes and our local activities and events will not be impacted by the changes.

Interschools

Many of our members participated in the Interschools events at Perisher and Mt Buller during 2017. Notably, Jet Lange achieved a podium result at the Australian Interschool Snowsports Championships (aka Nationals) with his second in Snowboard Cross (SBX). Our junior and youth members have a strong CAC comradery at these events and our Club builds the positive relationships that continue into their adulthoods.

At the regional level, our skiers and snowboarders achieved excellent and personal best results. Our members stay together in the lodges during the events and they all support each other. An amazing trifecta occurred in the Interschools SBX as CAC members won Division 3, 4 and 5 – all sporting Neversummer boards! Special thanks must be made to Ric Guseli, who supports all families with his extensive knowledge for racing and preparation.

Importantly, many of the Club’s snowboarders returned from Mt Buller to support the Club in the Balmain Cup. Many drove back to compete; thanks to all for your commitment and loyalty.

Our junior and youth members are a large contingent of the Winter Sports Club at Perisher and other training programs. Many Club members have their children (or themselves!) participating in the “Every Sunday” programs. Also, our school age members participated in the ACT XC program including land based training and on-snow training and racing. Many junior club members participated in the XC Interschools and other XC races during the year.

Club races and events

Members continued to participate in the traditional Club events and races such as the Brumby Cup. However, our participation levels are low so we are listening to feedback and planning to increase participation in the events for 2018. These events included:

- Club Championships
- Brumby Cup
- Balmain Cup

Details of races in which the Club competed, and results, have been published throughout the year in *Frozen Acres*. Appendix 5 of this report provides details of recipients of trophies and awards.

Members receive complimentary accommodation when competing in the Balmain

Cup and several members enjoyed this benefit.

Sub-committee members: Teresa Harrington (Club Captain), Phil Bell (convenor), Jenny McLeod, Kristen Sanders and Amanda East.

SOCIAL

(Convenor: Denelda Bolt)

Socialising is a major aspect of involvement in the Canberra Alpine Club. Staying at the lodges brings us into contact with new people and people we see each year, enjoying snow sports and evening conviviality. As well as informal gatherings there are more formal opportunities to meet and mingle. The Social Sub-committee organises some large scale annual events and considers policy issues such as pricing. Other activity, not managed by the sub-committee, occurs at Youth and Family weeks, work parties and ad hoc events. The Sub-Committee is always looking for new members to help plan events and also members who are interested in taking on executing a single event.

Thanks are extended to Rhonda Cunningham for organising refreshments at the Annual General Meeting each year. The Convenor would like to thank Mel Callaghan and Mandy Savery for their ongoing creative ideas and work in organising the Pre-season Cocktail Party, this year at Vibe Hotel, and the Annual Presentation Event at The Duxton. Both events were very successful, and the Duxton was a prescient choice considering the dreary weather on the day. Both events succeeded in providing formats and venues that were child friendly, encouraging the attendance of our younger members who make up many of our trophy winners.

Perisher based events were the Club Championship Dinner on 12 August and the Brumby Cup Dinner on 22 July. As with 2016 the dinners were catered by HQ Cuisine based in Cooma. Everyone had a great time and there was certainly plenty of lovely food. Feedback from those who attended was very positive and apart from the conviviality throughout the evening there was also some socialising in the kitchen by those wonderful members who undertook clearing up tasks. Thanks go to Amanda East, Jenny McLeod and others who took over the delivery and other aspects of the Championship Dinner. Thanks also to Sarah Forsdyke for her assistance in organising the various events.

MEMBERSHIP

(Convenor: Jenny McLeod)

Membership declined slightly from 2016, however the number of people on the waiting list increased, and many of these are enthusiastically progressing towards full membership.

As usual for recent years, membership offers were able to be made through the year as waiters became eligible. In many cases this meant waiters progressing to provisional status early in the year as they attended work parties, and then being offered full membership late in the year, or with their subscription renewals.

Table 2 - Membership by Category 2017

The register of members (including the year elected to membership) and lists of associated persons form Appendix 7. Any errors should be notified to the Secretary or Administrative Officer.

Information on membership demographic trends is available in Part 3 of this report.

Obituaries

The Committee records with regret the death, in 2017, of Jim Beard, associated ex-member. We were also notified of the earlier death of Sheelagh Thompson (also an associated ex-member).

Re-admission to Membership

During 2017, the Committee re-admitted four persons whose membership had lapsed.

PUBLIC RELATIONS

(Convenor: Jenny McLeod; Frozen Acres editor: Judy Lejins; Assistant Editor: Monika Binder)

External advertising has continued at a fairly low level. A new batch of business cards was produced with updated contact details for the Club; quite a few members have kept a couple in their pocket and found them useful when talking to people on lifts who are interested in joining a club. The Club again had a stall at the Snowsports ACT Ski and Snowboard Sale and Expo, and a batch of Club logo stickers was produced late in the year for members to use on skis, boards, helmets, or elsewhere.

Eight issues of Frozen Acres were published during 2017. FreshCreative Design printed 310 copies of each issue which were then delivered to Jon Wilson for batching and posting. Increasing numbers have taken up the offer of receiving Frozen Acres as an electronic version, including all our overseas members. Results of races, notification of coming events, a juniors' page, reports on work parties and social events and articles related to members' travels in various alpine regions (both walking and skiing) were the main items published. Photos accompanied a number of articles. Monika Binder was appointed as Assistant Editor during the year and has been a useful back-up to the Editor. Stella McLaughlin has continued to proofread Frozen Acres. She provides a very quick turnaround of those articles emailed to her and this is of considerable help to the Editor in getting publications finished on time.

20 *Skimail* emails were sent in 2017, and were as usual an important way of communicating urgent information as well as upcoming events – including work party date changes and registration information for Club races.

The Club's Facebook group has over 200 members, including some people who are not CAC members but have expressed an interest in the Club, or are ex-members. Members shared their photos, information on Club events, snow conditions, race results by members, and other relevant posts. Admin Officer Sarah also provided “on the spot” snow updates and alerted members to late vacancies during the season – potentially a contributor to the increased occupancy of the lodges.

The Club website was updated regularly during the year with Club race results and other information.

The Club's Personal Locator Beacon was borrowed three times in 2017, with two loans for Club events and one for a private trip. The PLB is available for loan to any member at no cost for bushwalking, skiing, or other expeditions, in order to improve safety for members on Club or private trips.

STRATEGIC PLANNING

(Convener: Allister Polkinghorne)

The Strategic Planning sub-committee continued the process of producing a ten year strategic plan which will encompass all future lodge development as its central focuses. It plans to issue a discussion report during 2018.

The Club's planning emphasis has been on the Jindabyne redevelopment for the past 5 to 10 years. At the 2017 AGM the membership indicated that their preferences moving forward for the next few years was to concentrate on the reduction of the Jindabyne loan debt as quickly as possible to put the Club back on a sound financial footing. The loan has now been reduced from \$1M to \$658k at the end of 2017.

This decision has deferred the progression of the planned Perisher development program however the completion of the Fire Order work and additional stairs was also endorsed to be completed as a high priority. As detailed in the Lodges report the 2017 AGM endorsed the expenditure of \$55K to complete all the outstanding work.

The future planned Perisher Capital works program will encompass major projects such as the extension of the dining room into the rebuilt southern deck (stage 1 completed in 2013 with the decking rebuild), refurbishment of the basement, refurbishment of the old wing bedrooms, possible installation of en-suites in the new wing lower bedrooms (plumbing and wall layout pre-installed in original construction) and a number of other smaller projects.

Table 3 - Membership by Category 2008-2017

Table 4 shows the approximate age profile of the membership. As dates of birth are not routinely available for members joining prior to about 1970, and are also missing for some later members, the data has a significant amount of uncertainty, in particular for older age groups.

Table 4 - Membership by Age 2017

The Constitution prevents the Committee from offering membership to persons resident more than 160 kilometres from the Canberra GPO (other than a partner or child of a member) whenever more than one third of the total membership is or would be residing more than 160 kilometres from the Canberra GPO. “In area” membership remained unchanged in 2017, at slightly more than 70%.

Table 5 shows residence and gender trends over the previous decade.

OTHER MANAGEMENT ISSUES

Executive Office Holders

During the year, the Committee appointed the following Executive Office holders:

Club Captain:	Teresa Harrington
Editor of <i>Frozen Acres</i> :	Judy Lejins

Public Officer

Tony Bolt was elected for a two year term as the Club’s Public Officer at the 2017 AGM. Tony resigned from the position in December 2017 when he ceased being a resident in the ACT. Lindy Down was elected by the Committee to fill the role until the 2018 AGM.

Auditor

Patrick Salter, of Salter Associates, was appointed at the 2017 AGM as auditor until the 2019 AGM.

Staff

The following staff were engaged on behalf of the Club during the year:

Administrative Officer:	Sarah Forsdyke
Perisher Manager/Caretaker:	Jill French

The smooth running of the Club relies very heavily on the Administrative Officer. Since taking over the reins in November 2016, Sarah Forsdyke has made the role her own, and is doing a great job ensuring our members (and guests) can confidently and easily make their bookings, and keeping membership records in order. She has rapidly become familiar with Club procedures and people and is taking an active part in improving Club practices.

Club Records

The Club's records are presently stored at the residences of the Secretary and at the Jindabyne Lodge. The few records held documenting Club activities and membership until the move to Perisher are generally fragile, in poor condition and incomplete. Records held include photographs, construction drawings, minutes, Frozen Acres, membership records, accounting records and year books.

Affiliations

The Club is a corporate member of SLOPES (Ski Lodges Organisation of Perisher, Smiggins and Guthega Inc), Snowsports ACT, and KHA (Kosciuszko Huts Association).

SLOPES represents all 88 private lodges in the Perisher, Smiggins and Guthega area, and participates in a wide range of matters involving the governance of the Perisher area.

Snowsports ACT is the peak body governing competitive snowsports in the ACT, and provides affiliation with SSA (Ski & Snowboard Australia), the nationally and internationally recognised authority governing competitive snowsports in Australia.

KHA assists with the conservation, management, and construction of huts and homesteads within Kosciuszko National Park and Namadgi National Park. Canberra Alpine Club is the KHA caretaker club for O'Keefe's Hut in the northern part of Kosciuszko National Park.

THE CLUB BADGE

The distinctive Club badge is quite unlike the badges of more recently formed ski clubs and is typical of the skiing era in which it was designed.

The original badge design, shown above, appeared in December 1936 on a brochure explaining the objects of the Club 'to the citizens of Canberra'. According to the Club's foundation Treasurer, Mr J.C. Anderson, it was adapted from the design, shown below, which appeared on the dust cover of the 1935 Ski Year Book. That design is attributed to a Mrs de Gruchy, who was said to be a member of the Ski Club of Victoria.

This original design changed after some time to a blue diamond with the skier herring-boning in yellow, thus utilising the then national colours, which have also been those of the Club for many years. These colours were adopted by the Territory upon obtaining self-Government (but ceased to be the national colours in the 1980s when the unofficial sporting colours of green and gold were formally adopted by the Commonwealth).
